

**CONNECT WITH YOUR ANCESTORS
AND YOUR GUIDES IN SPIRIT**

Know more about

**Yourself, your ancestors,
your ancestral lineage and the
ancestral plane of existence**

**Your guides in spirit, who
they are, and how they are
interacting with you in your
everyday life**

**How to make sense of this
lifetime, what information is
being shared, opportunities
and greater purpose.**

*Spirit guides and ancestral guides
are family. Spirit guides are elders,
whereas ancestors are those souls
who would have incarnated in more
memorable history*
